

# Ever sent such an inspiring offer?

## All the time in the world

ReGuest Sales makes your work so easy that you have more time for important things.

## Always within reach

With the integrated Messenger you give your guests the good feeling that you are close by.

## Saying yes made easy

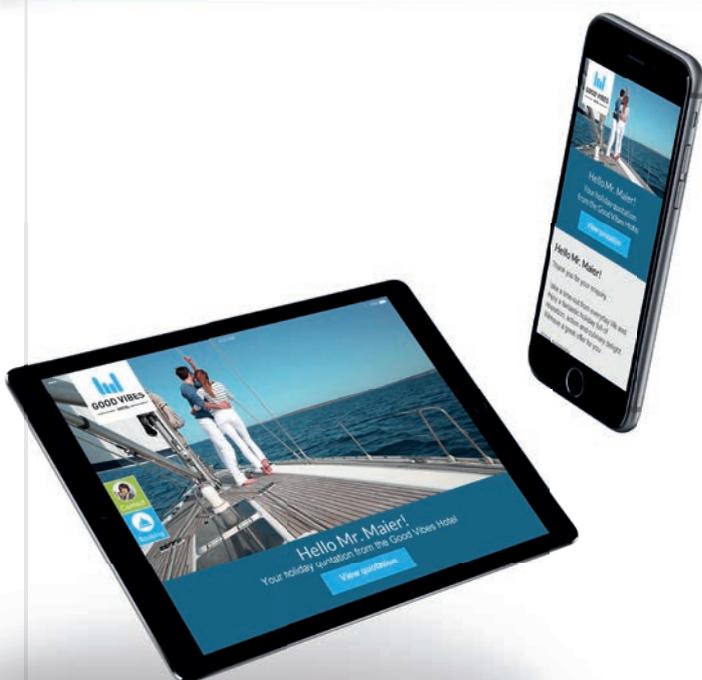

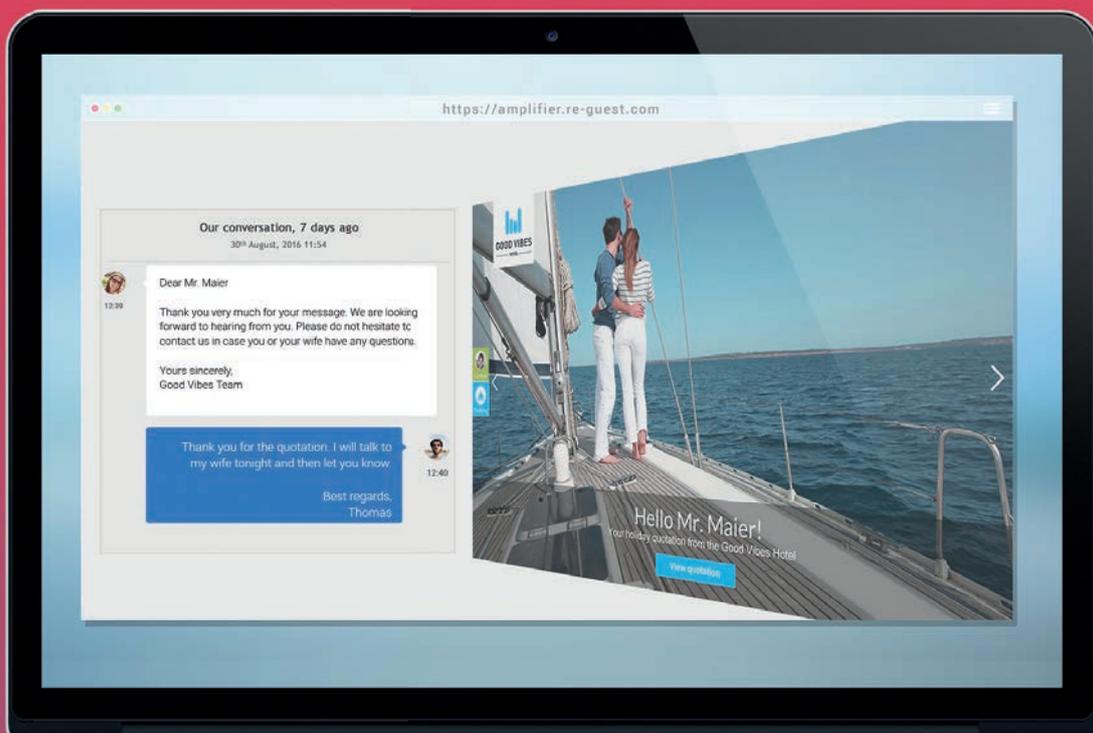

Your guest will say “yes” to your emotional, personalized offer. And then book.

# ReGuest Sales

Developed to inspire your guests, interact with them and convince them.

# Ever sent such an inspiring offer?

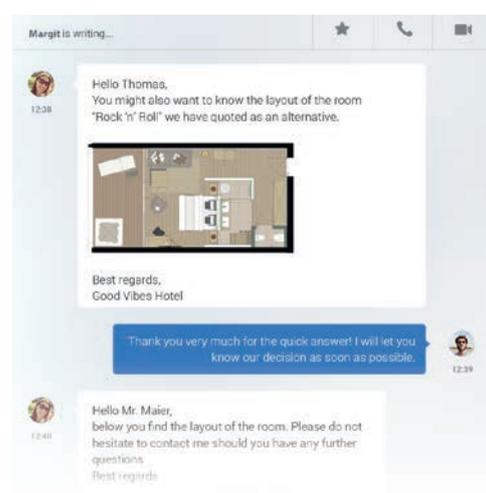

## Emotional offers to make the heart beat faster

The offer you create for your guest is presented on a website that is optimized for any device. This novel presentation of customized, media-rich offers arouses emotions in guests and moves them to book.

## Lively interaction instead of one-sided communication

You communicate with your guest in real time via an integrated Messenger. That means the guest asks you questions and you can answer directly. As of now, e-mails are a thing of the past. Direct contact with guests before, during and after their stay helps you to achieve more conversions and promotes proactive sales.

## All data taken in hand simply: Analysis

Similar to your website, you have all the information and data that you need at hand at any time. With the help of the integrated CRM and statistical analysis you get to know your guests and their needs better. That helps you to sell more, and better.

# Offers that your guests will love. And results that you will love.

Many enquiries are received every day by your hotel. Answering them takes a lot of time but the many offers often turn into too few bookings.

ReGuest Sales changes all that. The sales tool does not only make the preparation of offers easier. With ReGuest Sales you can make a precisely tailored offer for every enquiry from potential guests and answer their follow-up questions via the integrated Messenger. You give them the feeling of being well looked after even before their visit.

**So you not only gain them as guests but also raise your sales.**

**55%**

access offers via a mobile end device

**34%**

contact the hotel via Chat

**54%** of people who contacted the hotel directly subsequently booked

## Keyfeatures:

- **Responsive offer website** for optimal display even on mobile devices
- **Integrated Messenger** enables direct interaction with the guest
- **Automated Pre- and Post-Stay messages** inform, invite to evaluate the hotel and enable intelligent upselling
- **Statistical evaluation** of conversion and interaction data. Tracking of booking sources
- **Interfaces** to the most common IBEs and PMS
